## YOUR SKADIS. YOUR DESIGN.

It's that easy to turn your idea into reality.

With this template, you can plan your desired mount or accessory part in detail. Draw, describe, and give us as much information as possible—we will find the right solution for everything.

| 1. Personal Details  |               |                 |                   |          |
|--|---------------|-----------------|-------------------|----------|
| Last Name, First Name  | E-Mail        |                 | Date              |          |
|  |               |                 |                   |          |
| 2. About the Product   |               |                 |                   |          |
| Name   | Color         | ☐ Black         | ☐ White           | ☐ Orange |
|  |               |                 |                   |          |
